With reference to your office Memo No AS C 1874/34 dated 21-12-1934 forwarding copy of letter No L 41-35/M 1 48-34-43 dated 12-12-1934 from the Secretary to Govt Development Dept, re: the reduction of octroi on tobacco, from one rupee to eight annas, and requesting me to intimate how the dificiency in the income of the Municipality has been proposed to be made up etc, I have the honor to state that a proposition was brought forward by Messrs - T N Kempahonniah and others Municipal Councillors for reducing the octroi imposed on tobacco from one rupee to four annas, as the present rate of octroi is very high and is causing great hardship to the trade The matter was placed before the - council meeting held on 30-11-1934 and after it was discussed at length, it was resolved that the rate may be fixed at 8 annas per maund of tobacco instead of one rupee On account of this reason and also in the interest of public the resolution of the Municipal Council has been sent up to Government for sanction The income of the Municipality under this item may not decrease, as large - quantity of tobacco may be imported into the town from the local merchants if the octroi is reduced I therefore request you to - kindly obtain sanction of Government to the resolution of the - Municipal Council A copy of this office letter No H C 53/34 dated 13-11-1934 is sent herewith as desired "
